#### Beschreibung:

Apartment in typology T1 in a building with 9 floors, 3 fronts and 2 entrances with north and south orientation.

It is located in an emblematic area of Loulé, in the center of the city, near the monument erected in dedication to Eng. Duarte Pacheco and known in the region by the "Statue".

Building with excellent accessibility, easy access to the ring road and motorway, and close to all amenities, commerce and services, is about 15 minutes from the Airport, and the best beaches and golf courses in the Algarve.

This location offers everything from leisure, through gardens to sports activities that can go from swimming to tennis, all with structures that offer practitioners excellent conditions.

Renowned builders have also selected for this construction excellent finishes with above average quality. Because it has expected energy rating, class A.

The apartment includes parking space and storage room in basement and enjoy while you can choose the orientation and the floor, as well as other features.

It is under construction and delivery is planned in 2024.
