You can also go to a hall from where you can go to three bedrooms. The house has 2 other entrances and you can enter a room with shower and toilet and a room with a toilet. Beautiful guest rooms.

The plot is 1,375 m<sup>2</sup> and behind the garden there is a small lake. In the garden an outbuilding for storage.

Facilities such as water, gas and electricity are available. For drainage there is a connection to the sewerage system. The house is centrally heated on a gas boiler. Internet and telephone can be connected.
