Beschreibung:

Nearby Milan, close to the town of Bergamo, there is this prestigious, 18th-century noble villa for sale. This estate was built in the late 17th century, since then it has been perfectly maintained and is currently a venue for events and ceremonies. The three-floored villa sprawls over roughly 2,500 m² and exhibits state halls, big frescoed halls and utility rooms. This villa for sale's rich and lavish rooms are perfectly embellished with refined Neoclassical collections and Venetian terrazzo floors. Besides the main villa there is also a small, one-floored hexagonal building, and two apartments for residential use. Roughly 5 hectares of park comprising pleasantly-scented flowers girdle this beautiful villa on the shores of river Adda. rif.3688 <https://www.lionard.com/historical-villa-for-sale-at-the-outskirts-of-milan.html>
