Beschreibung:

We are very pleased to bring to the market this stunning 2 bedroom 1.5 bathroom house. It benefits from a lovely corner position and has been extremely well looked after with many extra features such as a covered in courtyard which has a retracting roof for those summer months but giving and extra room through out the year with an extra kitchen area. It also has a good sized lounge-diner with new appliances and two bright bedrooms both with built in wardrobes. Plus a family bathroom. Also in the courtyard you will find a second extra toilet. Upstairs there is a lovely roof terrace with views of the surrounding area and various pieces of equipment to help you enjoy or shelter from the Sun. You will also find another small room which can be used as an extra bedroom. Outside there is plenty of space to enjoy the weather and a lovely balcony. A very short walk gets you to the lovely communal pool. There is also a storage area for your bikes, or what ever you need to store. The La Marquesa golf course and many amenities such as bars, restaurants and a supermarket are just a 15 minute walk away. The beach is only a 15 minute drive away. An early viewing is highly recommended.
