### Beschreibung:

In the north of Spain, only 15min from Figueres and surrounded by mountains and sea, you can discover Bed & Business Encantada. It's located in a small village called Palau de Santa Eulàlia. It's only a stone's throw away from the Costa Brava beaches (25min) and the airport of Girona (30min).

As we love working remotely ourselves while living in sunny Spain, we furnished the second floor of our home as an independent apartment, so people like you could also enjoy it. Only the entrance and staircase is shared with us.

The apartment has 3 bedrooms with king size beds and 2 bathrooms, so we can accommodate up to 6 people. The comfortable living room creates the ambient to relax, and work desks with solid internet connection make sure you can do your thing 24/7. The brand new and well equipped kitchen is there for you to enjoy your meals and drinks. To top it all off, a spacious rooftop terrace with a 360° view and lots of seating area will definitely inspire you. A laundry room on the first floor is also at the disposal.
