Second floor one-bedroom apartment just renovated, luxury finishes, air conditioning, fitted kitchen, enchanting views for sale in Città della Pieve, Perugia. A quaint, newly renovated second floor apartment in a historic building, perfect for year round living or as a holiday home in the heart of Umbria, just steps from all the monuments, museums and shops. In addition to the entrance lobby and hall staircase, the condominium shares a covered rooftop terrace with unique views of the bell towers of Città della Pieve (photos available only upon request). A home rich in natural light and historic features with a magnificent vaulted ceiling in the living room. Designer lighting brings out the red of the terracotta to great effect. The hallway opens to the master bedroom and a bathroom with shower and window. Here, the ceilings are high with exposed wooden beams. All rooms have new oak parquet floors, double glazed windows, designer radiators and air conditioning (hot/cold air split) in all rooms. The entrance has an armoured door. Autonomous, self-contained. The living room has already been set up for the installation of a wood-burning stove. Ready to live in and delivered turnkey, bright and panoramic.
