PROJECT CONCEPT:

Inspired by its location, a central component of the modern lifestyles of the new generation, a convenient new home awaits at the epicentre of popular thoroughfares. The interior of the development has been designed to continue the experience of connectivity, unifying the architecture, landscape and interior design, with the use of minimalist vertical lines and juxtaposition with the feeling of being truly close to nature. The "See Through Nature" aspect of the "Modern Continuity" aspect of

creative concept is reflected by every element of the building's design for a fully satisfying experience.

FACILITIES:

The Fullest Facilities - Enjoy your leisure time with a clubhouse furnished with the utmost conveniences, from a swimming pool that gives you the sensation of floating while relaxing in its "Sunken Seat" to the adjacent "Main Park" and its breezy ambiance that can be fully utilised for countless activities without disturbing the fun of others. All this and more are encompassed within a fully secure environment that will keep you feeling safe 24 hours a day.
