Beschreibung:

It is a new concept of new work that is practical, aesthetic, flexible and very bright.

The house has 2 options on the ground floor, 3 on the upper floor that can be combined in any way, resulting in 1, 2 or 3 bedrooms, 1 or 2 bathrooms, a kitchen incorporated into the living room or independent.

It has a large outdoor plot, with a private pool, where you can enjoy the outdoors and under the sun of the pleasant microclimate of the area.

Levante is built in a semi-detached house, ensuring that all the houses are corners. In this way, the plot borders the house giving spaciousness and managing to enhance the natural characteristics of the construction of the house.

It has a modern architectural style, designed with top qualities, comfortable and very bright. The size of the windows around the entire house and the extension of the windows on both floors, allow natural light

to enter for much of the day. In the Levante model, all rooms have windows, including bathrooms. - REF:
