Beschreibung:

Consisting of 7 townhouses, this residential project near the center of Vilamoura stands out for its modern design and its integration with the natural surroundings.

It is a complex of luxury homes, divided into different fractions, which guarantee an exclusive and private experience for each residence.

Each house has a gross construction area of 237m² offering spacious and comfortable spaces, suitable for contemporary living.

The land area of each house is 106.55m². One of the fractions has 130.5m².

In these villas, the refinement of architecture is combined with sophisticated design, creating visually stunning and functionally excellent environments.

These houses are built with the best materials, ensuring that every corner expresses quality. The generous use of glass integrates indoor and outdoor life.

Each villa consists of 4 floors, with an internal elevator and features a rooftop pool, complemented by a lounge area and a barbecue space, providing a perfect blend of relaxation and entertainment.
