This lovely farmhouse (80 sq. m.) is just 9 km from Orvieto and near to the village of Canale. It is surrounded by 3,000 sq. m. of land.

Ground floor: living room with kitchenette and stone fireplace, second room with an independent entrance, bathroom.

First floor: two double bedrooms with a spectacular view of the Umbrian countryside.

Next to the farmhouse there is a wood-burning oven and a small outbuilding (50 sq. m.) with chimney and sink, ideal for those who love being outdoors with family and friends in summer.

The property includes a typical Umbrian cellar dug into the tuff terrain.

The farmhouse is equipped with municipal water and well, also the heating system has been prepared to add radiators.
