Beschreibung:

This prestigious historical villa for sale is in a high position on Fiesole's hills, one of the most exclusive towns in the province of Florence. This 18th-century house was the seat of the renowned Accademia dei Generosi, which had the aim of promoting and spreading culture by sharing the pleasure of the arts. This luxurious building was transformed into a private home at the beginning of the 19th century, and is today an elegant villa that has maintained all its original features. Measuring 800 sqm, the villa is framed by an idyllic natural setting of 2,000 sqm, embellished with fragrant plants and trees of various kinds. The interiors, arranged on three levels, offer eight majestic bedrooms and five bathrooms. Its spacious rooms are finished with materials of the highest standing, including exclusive terracotta floors, numerous works of art, splendid frescoes and beautifully decorated ceilings. This period property is completed by an outbuilding and a car park. The exclusive panoramic position of this villa for sale in Fiesole makes it perfect for anyone looking for a context of absolute privacy in a place of great historical prestige. Ref: 6312
