Beschreibung:

Residencial Anam in Tulum is an exclusive project that consists of 18 spacious single family lots on a 12 390 square meter plot of land. This development has as its primary focus the preservation of nature and the incorporation of the elegance that has been emblematic of Tulum since its beginnings. The highlight of this project is its commitment to conservation as it affects less than 5% of the total land thus protecting the natural environment in a sustainable manner.

Currently under development Residencial Anam plans to offer a variety of top notch amenities including

Strategic Location Just 15 minutes from the Tulum hotel zone providing convenient access to the beautiful beaches and the main attractions in the area.

Covered Terrace An open air and covered space ideal for residents to enjoy relaxation and

socialization in a natural environment.
