Beschreibung:

Land, Arona. The plot of land has a fantastic position in the heart of Arona. The land is slightly above the church and has good sea views to Los Cristianos. With 591 m2 available a large property could be built, or indeed a small block of flats, keeping in with the local by-laws regarding the traditional design on the exterior of the houses. The land is ideal to build a small country B&B which then rented for holiday lettings for rural holiday away from the hustle of Ls Americas. This area is ideal form cyclists and rural walking.. Arona is keeping the town very carefully and trying to keep the old town atmosphere which is so lovely for the locals, and indeed tourists.
