Beschreibung:

We present an excellent opportunity for investors and developers: four building plots in the charming village of Benaoján, near Ronda, ideal for residential construction. Each plot is for sale for 20,000 euros, offering an affordable investment proposition with great potential for profitability.

Located in a peaceful and picturesque area, these plots are perfect for building homes surrounded by nature and with the authenticity of Andalusian village life. With the attraction of Ronda just a few kilometres away, Benaoján offers the charm of a rural setting, but with all amenities close at hand.

These plots are classified for development, which facilitates the development of residential projects in an area that combines tranquillity and tourist appeal. Perfect for the construction of single-family homes or for those looking to carry out a real estate project in a growing area.

For more details about the plots or to schedule a visit, please contact us. - REF: PR-235797
