We present the Duplex villa, and on the first floor we find the living room separated by the kitchen by the elegant interior garden. The kitchen is equipped with a fridge, dishwasher, oven, hob and extractor fan. It also has 1 bathroom, terrace with total privacy and laundry.

On the second floor we find two generous suites, with the particularity of the bathrooms having direct light. These suites have plenty of storage with their built-in wardrobes.

The development has 8 T2 Duplex villas, and 2 T1 apartments, distributed over 2 floors, with sophisticated architecture, providing direct contact with the outdoors, with generous and well-distributed areas.

Located on Rua Vera Cruz, a few meters from the Train Station, Campanhã Metro and Heroísmo Metro, it is an area well served by commerce, restaurants, public transport and with easy access to the main roads and highways in the north and south of the country.
