Beschreibung:

For sale: Magnificent plot of 10699 m², an exceptional opportunity to realize your real estate dream in a charming natural environment. This extensive domain, ideally located on the edge of a river, offers a haven of peace in the heart of nature.

The land, with a flat topography, stands out for its generous surface and multiple advantages. At the heart of this plot, discover a single-story ruin of 124 m², brimming with ancient charm, intended for housing, consisting of 4 rooms and a kitchen, with an outbuilding including an engine room, a barn, a well, and a washhouse that add character to this space conducive to creation.

A distinctive feature of this property is the presence of a well, ensuring a reliable water supply, along with the availability of electricity on-site, facilitating the implementation of your projects.

The enchanting landscape of the plot is adorned with fruit trees and vines, creating a bucolic atmosphere and offering abundant agricultural potential. Picture yourself strolling through your own orchard, harvesting fresh fruits, and cultivating your own vines.

In addition to its natural charms, this cultivation plot offers the opportunity to build a spacious house of about 300 m², equipped with a basement to maximize space, and as the cherry on top, a pool for unforgettable relaxation moments. Verbal information provided by the architect of the Loulé City Council.

Whether you aim to create a primary residence, a vacation home, or an real estate investment, this exceptional plot provides a blank canvas to materialize your aspirations. Don't miss this unique opportunity to acquire a domain with numerous possibilities, where nature and the comfort of living harmoniously converge. Contact us now to explore this unique opportunity and bring your real estate projects to life. - REF: 1149-30
