Beschreibung:

Magnificent property with a 5-bedroom house dating from the 17th century and attics that could be converted. This somewhat 'timeless' property is not overlooked and is located in a small hamlet, at the end of a cul-de-sac, close to Ruffec. For nature lovers, this is an ideal location: superb walks galore, the Charente flowing nearby, rolling views, etc. A real little paradise! The electricity was renewed around 6 years ago and the window frames (redone more or less at the same time) are double-glazed, but the windows installed respect the style of the house (very rare!). Redecoration is required, but the house is ready to move into straight away.

A nugget to be discovered very quickly!
