The warehouse has a total of 504 m² distributed in 382 m² of open industrial space, 122 m² of offices with access both from the warehouse and independently through the portal, and a mezzanine of 15 m².

It has a two-phase and three-phase electrical installation with six strategically distributed electrical panels, lighting with eight 4000K LED hoods and double skylights that maximize natural light. The floor has high-traffic grey epoxy paint, as well as two bathrooms and toilets, one of them with a shower.
