Features

- Beylikduzu is a relatively new area of Istanbul, which competed with its neighbors for investment and in record time became one of the most prestigious areas of the city.
- Apartments in Beylikduzu, Istanbul, ready for sale and with direct delivery, in a central location, close to a taxi rank and public transport stop.
- Vital location in the heart of the capital, between Green Valley Park and Tuyap Fair City, in a clean seaside area near the famous Istanbul Marina.
- The project is located on the highway close to important government centers, as well as many of the

most famous hospitals, schools and oriental restaurants.

Project Information

- The project is located in the fastest growing Beylikduzu district in the European city, with an organized urban plan, free of slums, inhabited by the educated elite.
- Luxurious blocks with elegant architecture, designed to suit the tastes of the family and leave happy memories in it. It contains 129 apartments with modern decor and elegant design.
- The project covers an area of 20 thousand square meters and consists of 11 residential blocks, each with 4 to 5 floors, with different views...
- You can choose your apartment with the view of the Sea of Marmara that suits you.
- It is not limited to selling apartments in Istanbul, where you can buy your own store and establish your shopping center in a promising area with your profit and investment, especially with the rise in real estate prices as a result of the intensity of commercial activities and the large number of arrivals.
