Περιγραφή:

Super modern villa on the edge of a Spanish village for sale with swimming pool and large solarium included.

This bungalow model is very large and with all comforts. The living room and 2 bedrooms open onto the large terrace in front of the pool. The bedroom is north facing so for the hot sleepers, you have a cool room for the hot summers. 2 villas are still key ready so if you have cash, you can enjoy your home within a week. All papers are ready! You walk in 1,2,3 to the bars and restaurants as well as to a large Spar supermarket. Definitely worth a look.
