We offers for sale this house, located in a nice peaceful village with a shop, church, library and post office. The property is accessible via asphalt road in all seasons. The village is in a fishing and hunting area.

The house is on three floors around 220 sq.m. living area and it consists of:

First floor is distributed between, 3 rooms and bathroom with toilet, the 2nd floor offers two sunny rooms with access to a nice terrace, and the 3rd floor there are 2 more rooms with terrace. The house has an outdoor staircase. The house is in good condition, built with solid concrete slabs. After renovation it could be transformed into a wonderful home, located in a nice and well organised village.

The garden is 1450 sq.m. , offering nice views and enough space for growing vegetables and to the village and the forest. It is well maintained, with grass and a variety of trees, there are two large outbuildings, and enough space for adding a swimming pool, growing flowers and vegetables etc. This is a great value for the money and we highly recommend a viewing.
