#### Περιγραφή:

South Royan Meschers building plot, approximately three hundred and fifty square meters, reasonable price for the 'charentaise' coast, servicing at the edge of the plot. This land is located in Meschers, not far from the beaches of the Royan coast. A pretty little space, enclosed and planted with trees, which will be suitable for building a second home as well as for a house inhabited all year round, for first-time buyers, or retirees. Land located about 2 kilometers from the beaches and the city center. . All shops easily accessible by bike. Meschers is a small friendly village, with its five beaches which has all the shops and Royan is ten minutes away. This will be suitable for a land project plus a new house at a price within current standards. Information on the risks to which this property is exposed is available on the Georisques website:
