Detached villa in one of the best areas of Altea La Vella, with a large plot of 2,000 m2, and a construction of 350 m2. which are distributed over two floors. On the first floor we find a large hall that leads to a spectacular living room with stunning views of the garden and the sea, with access to a large terrace and the pool, the kitchen with views also to the terrace, the pool and of course the sea and a toilet. On this same floor we find three bedrooms with custom wardrobes and each its bathroom en suite, from the rooms we access the balconies and their stunning views.

On the ground floor we find a large living room with access to a large terrace, two bedrooms with bathrooms en suite, laundry area and a storage room.

Of course in each room has air conditioning. In the garden area we access the closed garages with room for two cars and motorcycles and a large storage room, outside we have a large garden and in the lowest area of the plot a large number of fruit trees, the whole garden is organized for easy maintenance.
