Περιγραφή:

Three bedroom 2 bathroom home on a quiet well kept block with a new roof on the home and garage repaired in 2021. The home has a full finished basement with and brick fireplace and wet bar. The home has a Vivint security system fully operational with sensors on two front room windows, the back door, garage door and the garage overhead door also with a doorbell camera and side driveway camera which stays with the home. it is being sold as is. With a little tender love and care the home would definitely be great for any family.
