Περιγραφή:

An exciting development release of contemporary apartments and penthouses with 2 and 3 bedrooms. These larger than average top quality apartments include a fully fitted Siemens kitchen, bathroom fittings, wardrobes in bedrooms, two parking places and one storage room; and of course spectacular panoramic views of the Mediterranean Sea. They are located just 200 meters from the Buddhist temple in Benalmadena which allows an easy access to the motorway and to the beach. You can be assured that there is a professional team with long experience behind this unique project. Common areas consist of tropical gardens and a Wellness Centre for the whole family, including a large pool of modern design with solarium, indoor heated swimming pool, modern gym, sauna and outdoor Jacuzzi.
