Περιγραφή:

New exclusive development Ideally located In Benalmadena with 2 and 3 bedroom apartments with fully equipped kitchens, good quality finishes and extra-large terraces with sea views. All apartments include storage room and two parking spaces in the price. Its privileged and elevated position allow all of the homes to benefit from incredible views to the sea and coastline. Due to the inclination of the terrain, the homes are staggered in design with wide spacious terraces as the main focal point with glass rails that maximize the exterior views to the sea and allow for the spectacular Mediterranean sunlight to fill the interiors. The development with contemporary Mediterranean architecture has a communal pool, garden and gym allowing you to enjoy a relaxing swim with views of the Mediterranean. The complex is just 5 minutes from all kinds of amenities, schools, supermarkets, golf courses, public and private hospitals, sports centre, etc. It's 10 minutes from Puerto Marina, with easy access to the motorway and only 20 minutes from Malaga and its international airport.
