### Περιγραφή:

We sell beautiful loft of 135 m2, totally diaphanous, exterior and very bright with large windows overlooking the estuary. At the end of the premises there are some offices separated by a glass that with a vinyl can be made rooms and would be great and bright.

Just enter to the right there is a wall with everything you need to be able to put a kitchen, the installation is done but covered with plaster since the current tenants do not need it. It also has some modern and beautiful closets.

The windows that are double have incredible views to the market of the Ribera. This beautiful location is completely renovated. It also has a bathroom with shower.

It is interesting to know that the neighbors want to put elevator, as a result there is a spill and is paying for it 200 month, community expenses are 45 month.

The price of this wonderful loft is negotiable. - REF: Mireia 709080
