Explore this 3 bedroom apartment located in Sunut Lombok. This spacious living arrangement, comprising three bedrooms and a living room, is perfect for large families or a group of friends requiring extra rooms for various purposes. The apartment features three separate bedrooms, providing individual spaces for privacy and personalization.

All our apartments come with a generous balcony boasting captivating views. Ground floor units offer the added option of a garden and access to a swimming pool.

Take a glimpse into our vision for the future look of the apartment building. The exterior facade will be adorned with local light stones, harmonizing with wood and integrated flower pots to give the overall appearance a natural touch.

The Three Bedroom and one living room apartment is designed for big families.

The entire balcony will be enveloped in greenery from integrated flower pots. Alongside stone walls, wooden ceilings, and railings, the balcony will exude a unique atmosphere with a sea view, particularly during sunset or sunrise.

All apartments will feature large glass windows, ensuring views from bedrooms and living rooms extend to the balcony and the lush greenery outside. Our garden architect will carefully select plants that seamlessly integrate into the resort's overall concept. Once you experience it, you won't want to leave this place.

The apartment features a view, living room, and kitchen. Additionally, you'll discover three bedrooms with two bathrooms.
