Introducing our studio apartments thoughtfully designed living spaces crafted for one or two individuals, seamlessly combining a bedroom and kitchen into a single open area, complemented by a private bathroom. Each studio boasts a generous balcony, providing a delightful view, while ground floor units offer the added luxury of a garden and easy access to a swimming pool.

Picture the future of our apartment building the exterior facade adorned with local light stones, harmonizing effortlessly with wood and integrated flower pots, infusing the entire appearance with a natural touch.

Our studio apartments are tailored for couples, friends, or solo travellers. The balcony, enveloped in greenery from built in flower pots, emanates a unique ambiance with stone walls, wooden ceilings, and railings – an ideal spot to relish views of the sea during both sunset and sunrise.

Large glass windows in every apartment ensure that bedrooms and living rooms capture the charm of the balcony and the lush greenery beyond. Our garden architect will curate plants seamlessly blending into the resort's overarching concept. Once you immerse yourself in this experience, tearing yourself away from this idyllic haven may prove a challenge.

We offer two options: Studio A and Studio B, ranging from 35m2 to 38.7m2, each featuring a 9.8m2 balcony.
