WHY NAHAL

Nahal offers the opportunity to live different experiences in the community learn about the local culture its values and rituals and create a new community that can build a new future for the family for the community and for the planet. With contemporary and minimalist architecture Nahal Residences are sanctuaries inspired by the culture and nature of the region. They combine organic materials with modern technology accessories and handcrafted textiles for a unique experience.

A real estate development located in Xpu Ha Riviera Maya that preserves nature and respect for the community to create a new way of living and coexist. Our mission is to help people reconnect with themselves instinctively becoming more aware of their surroundings and nature.

WE RECONNECT TRAVELERS WITH NATURE

We envision a haven of life a harmonious community. A place where they can share experiences build lasting relationships and create a respectful and conscious coexistence.

MASTER PLAN

The master plan has been designed around an ecosystem of amenities that allow for experiences activities events art and an international community of which you will be a part. It comprises 69 lots from 800 m² to 1300 m² with perimeter fence and subway electrical installation.

Rooms that connect with the natural landscapes through large windows and spacious terraces. The gardens have trails and spaces for contemplation of the local fauna and flora. We value the health and well being of families so we have designed a perfect place to live a safe area with green areas where you can connect with nature.

NAHAL RESIDENCES

Carefully curated architectural design to make the residences as striking as the beauty of the surrounding nature.

NAHAL RESIDENTIAL LOTS

Residential lots with a privileged location ideal for enjoying life in the jungle and stimulating all your senses.

We preserve and protect the region creating the ideal environment for a better quality of life.
