This magnificent detached villa is located in Tsada, Paphos.

Tsada is one of the larger villages in the Paphos region and is located approximately 10km north of the town, in an elevated position that enjoys breathtaking views of the countryside and distant Mediterranean Sea. Residents will also appreciate the slightly cooler climate that is extremely welcome during the

scorching Summer months. The village itself has all the usual amenities you would expect from a village of its size, including a school, tavernas, restaurants and shops.

Tastefully decorated and partly furnished, the villa features an open plan living and dining area. A fireplace along with central heating in the living room create a cosy ambience during the cooler months of the year. The fully equipped kitchen is separate and has ample worktop and cupboard space while featuring another dining area. On this level a sauna room with shower is available along with a laundry room, a storage and a guest toilet. The villa's primary bedroom is located on this level with ensuite bathtub facilities. Large patio doors lead out to the garden and pool area which feature unobstructed sea and city view.

Ascend upstairs where four more bedrooms await along with two shared bathrooms with bathtubs. All bedrooms have balconies with amazing sea and city views.

Outside, the well sized private garden and the sparkling swimming pool beckon, offering a serene sanctuary for leisure and rejuvenation. In addition, the BBQ area sets the stage for unforgettable gatherings.
