Περιγραφή:	

Pretty stone house to renovate in a small village 5 minutes from the bastide town of Castillonnes (all shops and amenities).

This house with 120 m² of living space from the beginning of the 20th century has remained in its original condition and requires total renovation but benefits from many advantages including a pleasant garden of over 400m², a cellar and a garage.

The house itself offers kitchen, living room and 2 bedrooms all with beautiful volumes and high ceilings (23, 36, 21 and 21 m²!) as well as a showerroom upstairs.

Roof maintained and mains drainage.

Attractive price: ideal first time purchase or pied-a-terre/ lock-up-and-leave, to be seen quickly!
