Περιγραφή:	

Located above the town of Brunate by Lake Como, this historical estate, built in 1892 for the Counts Crespi di Vaprio d'Adda, is a pre-Art Nouveau architectural masterpiece. The property spans 1.6 hectares with several buildings totaling 1,300 sqm, including a 500-sqm main villa, a 320-sqm annexe, a 150-sqm concierge's house, a 70-sqm restored lemon house, and a charming three-story tower. Surrounded by centuries-old trees and valuable plants, the estate has undergone several renovations to preserve its historical materials, most recently from 2019 to 2022. Accessible by a 7-minute funicular ride or a 15-minute drive from Como, the estate offers stunning southern views over the Lombardy plain, Milan, and the Monte Rosa chain. The main villa features a Celtic cross plan with four floors, including elegant living spaces, bedrooms with en suite bathrooms, and panoramic balconies. The annexe and other buildings complement the estate with additional living spaces, a monumental fireplace, and a vegetable garden. The property includes a splendid swimming pool with a heated natural stone pool and a bar, set in the upper part of the garden. The estate is equipped with two automated driveways, five pedestrian entrances, scenic lighting, and pedestrian paths, ensuring perfect viability within the park.
