Περιγραφή:

Attractive 3-bedroom (one en-suite) house with lovely light-filled rooms, situated in a quiet hamlet close to Nanteuil-en-Vallee. The house benefits from double glazing and has gas central heating and two wood-burning stoves on the ground floor to keep you warm and cosy in winter. The mature gardens offer sun and shade and an enticing 10m x 5m swimming pool (with new liner in 2024) provides the perfect opportunity for a refreshing dip. This main garden is on 2580m² and has an attached woodland of 1454m². There are plenty of walks around the property and a river not far away. In fact, there are two non-attached plots (of a total area of 929m²) not too far away which slope steeply down to the river. A little corner of paradise that is just waiting to be discovered!
