Περιγραφή:

- The hotel is housed in a historic manor house dating from the 16th century, in the center of the town of Mexilhoeira Grande.

- This hotel has 14 rooms (doubles and triples), a tropical garden, heated swimming pool, jacuzzi, sauna, spa, gym, bar, lounge areas, living and dining areas, kitchen and reception.

- It has very elegant finishes and sophisticated decoration and furnishings, with a layout that is totally designed for guests and their privacy.

- This hotel currently allows for a wide range of commercial activity, given the exclusivity of its interior, which is completely unnoticeable from the outside.

- The location is privileged, close to all the Algarve's access routes, as well as the train line (with a direct and very fast connection to Meia Praia, for example), transport, services and shops.

- It is close to Portimão, Alvor and Lagos, as well as the Algarve's main beaches.

- The hotel is of great local importance, given its commercial impact on the town's dynamics.
- There is the possibility of selling the company associated with the hotel unit, with a transfer of position and the entire client portfolio, given the high profitability of this hotel unit throughout the year.
