Περιγραφή:

A four bedroom, five bath luxury courtyard villa for sale in a new urban development. The home is 3.5 storeys with a double volume high ceiling living area. There is a modern open western kitchen, a second Thai kitchen and a maid's room with bath. This private villa is well decorated and comes with chandeliers and wood floors.

The villa layout is very functional with a private elevator and underground parking with four parking stalls each unit.

With only 20 units in the complex the complex is very private. There is a shared resort style swimming and a nice boutique garden space and all the houses are connected to the common facilities. This is a top-class boutique development waiting to welcome you and your family.

The complex is located in a quiet residential alley with high security. It is a five minute drive BTS Phromhong, the Emquartier Mall and 950m to MRT Petchaburi station.
