Περιγραφή:	

With frescoed ceilings, first floor downtown house to be updated and tailored, including a basement cellar for sale in Città della Pieve, Perugia. Set within an ancient building in the very heart of Città della Pieve, first floor apartment offering 119 square meters/1280 sq ft surface with frescoed ceilings, old wooden beams, original maiolicas and terracotta floorings. The actual layout include a total of five rooms plus one bathroom, to be restored and tailored to either two or three bedrooms. On the basement a 59 sq m/635 sq ft cellar perfect for storage and used as pantry. On the border with Tuscany and close to Lake Trasimeno and Lake Chiusi, Città della Pieve dominates from above an intact countryside and splendid panoramic views, a historic center rich in monuments, medieval alleyways and all services with shops, bars and restaurants. Apolloni & Blom is at your complete disposal with a local network of professionals and constructors to support you from the design to authorities permits up to full turnkey realization!
