Περιγραφή:	

A unique Bed and Breakfast guesthouse in Kea-Tzia and specifically in Spathi, one of the most virgin and tranquil tourist destinations of the island. The property is 380m² in total and is located in an estate of 8.200m² filled with trees, palm trees, beehives and olive trees. It consists of 12 rooms: a guest house, a small apartment, 2 rooms and the main house that has the main bedroom. The building is of stone construction of 1980 and is fully renovated maintaining the traditional Cycladic rhythms with modern and luxurious amenities in harmony with the austerity and tranquility of its location. It has access from a mild dirt road, which contributes to peace and quiet but not to isolation and is located only 5 minutes from the bay and beach of Spathi.
