Our house is a cozy retreat for everyone at any time of year. In addition to gas central heating, you can also light the large wood-burning stove and cook on the wood-burning stove. In summer, our beautiful flower and vegetable garden has a large sunbathing lawn, a BBQ fire bowl with barbecue ring and a large dining area with parasol. If it rains, we also have a small cozy terrace with panoramic windows. We are located in a mixed area of homeowners, allotment gardeners, seasonal restaurants and small businesses. Cars can be parked free of charge directly in front of the house.
