Περιγραφή:	

Incredibly well located, in the center of Vila Olímpia, this mixed building shed with masonry and containers is the ideal point for a series of services businesses. Your imagination is the limit for the use of this extraordinary space. Regardless of your business, your customers will be steps away.

Gym, far away bar, restaurant, happy hour bar, convenience store, automotive center, etc will certainly be one of the highlights in the region, whether for the local public or for the floating of the numerous companies around. Easily reconfigurable or removable leaving the ground flat.

Currently set up as lounge bar restaurant.
