Περιγραφή:

Over 3 Rai (3-1-46.6) of land for sale with a rubber plantation and a natural creek. Available on a chanote title, the plot width and length are approximately 45 meters and 124 meters.

This land plot is 80% gradually sloping and flat about 20%. The gradually sloping area is next to the public road and has a nice mountain view and the flat area connects to a creek that features natural sounds and relaxation.

There is a concrete road and electricity can be accessed from the main road.

Perfect for resorts and villa retreats.
