Περιγραφή:

A land plot of 2 Rai, 3 Ngan (2-3-33.6) of progressively sloping terrain for sale on a chanote title deed. The plot width and length are approximately 42 meters and 130 meters.

The plot is gradually sloping 80% and flat about 20% with the gradually sloping land to the valley. There is a tiny waterfall connected to the flat area that provides a feeling of peacefulness and rest. A cooling wind always blows on this plot.

The owner grows organic vegetables such as sweet leaf, chili and holy basil.

This land plot is perfect for resorts and villas or a meditation retreat.
