Περιγραφή:

Newly built luxury villas located within walking distance of the beaches of Mar de Cristal. And close to a piece of unspoilt nature. The beaches of Cabo de Palos are also nearby. This area has been declared the best climate in Europe by the WHO. Located on the Costa Calida. Beautiful beaches, crystal clear water ideal for snorkelling and diving, lovely boulevards with plenty of restaurants and several major cities such as Cartagena at about 20min drive. These luxury villas exude class, and are very spaciouly built, with 3 bedrooms, 2 bathrooms, very spacious living room with beautiful views of terrace and pool through the large sliding windows. Very striking is also the gate that gives you access on your own driveway so you have private parking for the car. The houses are finished with the best materials and already have many extras included in the price. Such as all electric appliances, swimming pool, and a landscaped and planted garden. Beautiful homes in a unique location.
