Περιγραφή:

The place is spacious whether you are a family with children or an artist wanting to find a creative space 120 sqm. There is a beautiful inner court with a large pine tree which gives the house a piece of nature and quietness. Although the house itself is spacious and children have plenty of room to “hide and seek” there is a garden on the ground floor. There is an extra room for working space (not shown) There is a music room with a sleeper coach. A fully equipped kitchen. 5 rooms are available. The bathroom has a changing facility for babies. And a rubber carpet for bathing. The main bedroom is furnished with “ZIRBENHOLZ” for great sleep. The next room also 2nd lounge has a single bed and playing space great for children.
