Casa Bonita is a beautiful 5-bedroom villa built in 2 levels, with a spacious outdoor area with a furnished (covered) terrace, swimming pool & Jacuzzi and a nice, big pool deck with sun beds – perfect for those lazy, sunny days when you just want to relax by the swimming pool and soak up the sun.

The interior is kept in a contemporary style with simple and minimal decor with furniture in white and neutral colors combined with a few touches of Caribbean style, colors and charm. The interior has a clean and modern feel and the open floor plan of the kitchen, dining- and living room makes this villa a place where you'll feel very welcome and comfortable.

The outdoor area of the villa is probably where you will spend most of your time. The large terrace has nice outdoor furniture with dining table, BBQ (gas grill) and a sofa sitting area where you can relax in the shade and just have a good time with your family & friends.

The villa is fully air conditioned and also has ceiling fans in all bedrooms.

DOWNSTAIRS:

Downstairs, you'll find the spacious living room, which is divided into two sections – one with a comfortable sofa sitting area another with sofa & large TV. The living room connects through an open floor plan to the indoor dining room and open kitchen with island/breakfast bar.

From the living- and dining room, you have a direct access to the furnished terrace, swimming pool & Jacuzzi – overlooking the Cocotal golf course.

There are 2 bedrooms located downstairs, both with a queen bed, closet space, ensuite bathroom with shower and a small terrace.

UPSTAIRS:
