There are houses that win us over at first sight, but then there are those that embrace us as soon as we walk through the door. This 2+1 bedroom duplex isn't just a place to live it's a place to dream, build and create memories with your family.

Completely refurbished with modern lines, each corner has been designed to offer comfort and welcome all the moments of your life.

Here, life happens with light and space for everything:

- Two bright bedrooms that ask to be filled with tranquility. Waking up with the sun peeking out the window and preparing your day with the lightness of a space that breathes calm and harmony.
- The "+ 1" is not just a number, it is the freedom of having that extra space that turns a house into a home. You can turn this space into an office, a bedroom for your children, a gym, a playroom or a reading room, so you can disconnect from the world. What if we told you that you still have a little corner that is every woman's dream? A beautiful closet!
- The kitchen reflects care and good taste, in addition to being fully equipped, with oven, hob, extractor

fan, fridge, microwave, dishwasher and washing machine.

- The contemporary design of the bathroom and a neutral color palette make the space cozy and sophisticated.

You won't have to worry about anything this house is ready to welcome you and welcome your ideas and personality.

More than a property, this duplex is the blank page where your life will be written. From your children's first steps down the aisles, to quiet evenings on the sofa with a blanket and a good book, to long lunches with friends and family. Here, you will find the space to grow, dream and live with those you love the most. The light, the space, the comfort it all comes together to make this place your next chapter.

Book your visit and get ready to feel what it's like to be at home, even before you move.
