Περιγραφή:

This property has been beautifully restored with all the modern comforts. The property is entered through a classic Portuguese double door that opens into the living dining area and fully fitted modern open plan kitchen. From the kitchen there is a patio door opening onto a small courtyard with a storage area laundry space. Also on this ground floor level is a shower room. On the first floor there is a master bedroom with fitted wardrobes and an en-suite bathroom as well as another small double bedroom. Both bedrooms have patio doors looking over the traditional square. The property is unusual in the fact that there is also a lower level, which could be used for further bedroom or a second living TV room. The property has air-conditioning and is located within walking distance of all amenities of the town.
