Περιγραφή:

For sale is this 3-bedroom village house in the centre of Adriers in the Vienne Nouvelle Aquitaine.

Lovingly cared for over the last 20 years, this tradition terraced house sits in the centre of the village close to the shop, bar, post office, doctors, chemist, boulangerie and village lake with park. It is an excellent holiday or permanent home for someone to put their own stamp on it and at a very competitive price.

The house has a main living room to the front and a corridor leading to a downstairs bathroom with WC; a further corridor leads to the kitchen/dining room, which is fitted and has a door into the most private of courtyards, and a further gate leading to a garden at the very back of the row of house (this could be used as parking for a car or camper van as it has direct access to the street at the back of the house. Upstairs you have two bedrooms to the front of the house and a third which has a mezzanine. The courtyard space is large enough to sit out and eat, but very low maintenance should you not be there all year long.

You also have a small outbuilding in the garden area and access to a well for water if required.

Adriers, is a popular and lively village, which has a general store/bar/eatery, a bakery, a post office, and a pharmacy together with a very good English-speaking doctor. It would be wrong not to mention that it is one of the very few villages I pass through on a Sunday morning where everything seems to be open, and I can grab a coffee!

Getting to the area is easy with flights from many UK airports. The larger towns of L'Isle Jourdain, Lussac-les-Chateaux and Montmorillon with all their shopping, bars, restaurants, and amenities are 13, 21 and 24 minutes away respectively; but you need not venture from Adriers should you prefer just to relax and unwind.

Lussac-les-Chateaux and Montmorillon have train stations with links to Limoges and Poitiers; the latter providing cross platform TGV connections to Paris, Bordeaux and other French cities plus Brussels and London (via Lille).

Limoges and Poitiers airport and train station are both around a one-hour drive away.

The house has, Mains Water, Gas (Bottled), an insert fire, and mains drainage.
