Περιγραφή:

This brand-new complex is being built near the charming, authentic Spanish town of Dolores, surrounded by beautiful nature. The location offers the best of both worlds: just steps away from the El Hondo Natural Park and a short drive from the stunning sandy beaches of Guardamar. Additionally, Alicante Airport is only a 25-minute drive away. Enjoy peace and tranquility, while still within walking distance of all amenities.

Dolores is a vibrant town with everything you need: supermarkets, shops, a weekly market, and a variety of cozy bars and restaurants. These modern apartments are perfect for both investors and personal use. Each apartment comes standard with 3 bedrooms and 2 bathrooms, and you can choose between a ground-floor apartment with a spacious terrace or a top-floor apartment with a balcony and a large solarium – ideal for soaking up the sun.

All apartments include a private parking space and storage room, both included in the price. The apartments are finished in a stylish, modern design and feature a communal area with a beautiful pool and landscaped garden.

****Special Launch Offer: Everything Included!**** For the launch of this complex, we are offering the first buyers a complete home package: furniture, lighting, all electrical appliances, and air conditioning are fully included in the price. This offer is limited to the first four sales, so don't wait too

long! Contact us quickly for more information or to arrange a visit on-site.

This translation maintains the promotional tone and highlights the attractive features of the complex for potential buyers.
