Περιγραφή:	

Lovely apartment with impressive sea and mountain views in Roque del Conde, one of the most popular residential areas in the south of Tenerife. The property was originally two-bedroom apartment has been refurbished by extending the living room and removing one bedroom, creating a huge lounge with dual access to the terrace. There is fully fitted and equipped American style kitchen and lounge/dining area with patio doors leading onto the terrace with loungers for sunbathing and a chill out area. Right in front of the entrance of the apartment, on the other side of the corridor there is a huge 50m2 storage room where you can store what you want and that can easily be converted into a mini apartment. There is a also a garage space and the complex is very well maintained and has a nice communal pool with a wonderful terrace with views
